

WORK SHEET

Module 17

Driver Distractions

Group # _____
 Participants Names:

Date _____

Use the bullet list below to identify the actions students have seen while riding in a vehicle with another driver and how the driver's action made the student feel about his/her safety. Determine the risk ranking for each behavior. Share the group's response with the class.

Driver Behavior	Rank the Risk from 1 to 5: One is the least dangerous; five is the most dangerous
CELL PHONE / PAGER
